Issue Date : 05 July 2020

Factory Ref :

Chassis :

Page: 1 of 1

As of April 2019 the NN-CF770M has gone through some changes. One of these changes will be the inverter. This inverter is not backward compatible.

There are 2 service manuals. One is labelled pre- 042019 and the other is labelled post 042019. Please make sure you are referencing the correct manual.

To determine which model it is being service, it is necessary to refer to the serial number to understand date of manufacture.

Please refer to serial number explanation below.

Microwave Oven Serial Number
