PRODUCTION CHANGE:

Please note that the new and old parts are not interchangeable and care must be taken to ensure the correct part is ordered according to the serial number of the unit. **Customers can replace the lamps only but the lamp socket will need to be replaced by a Service technician.**

Before Change

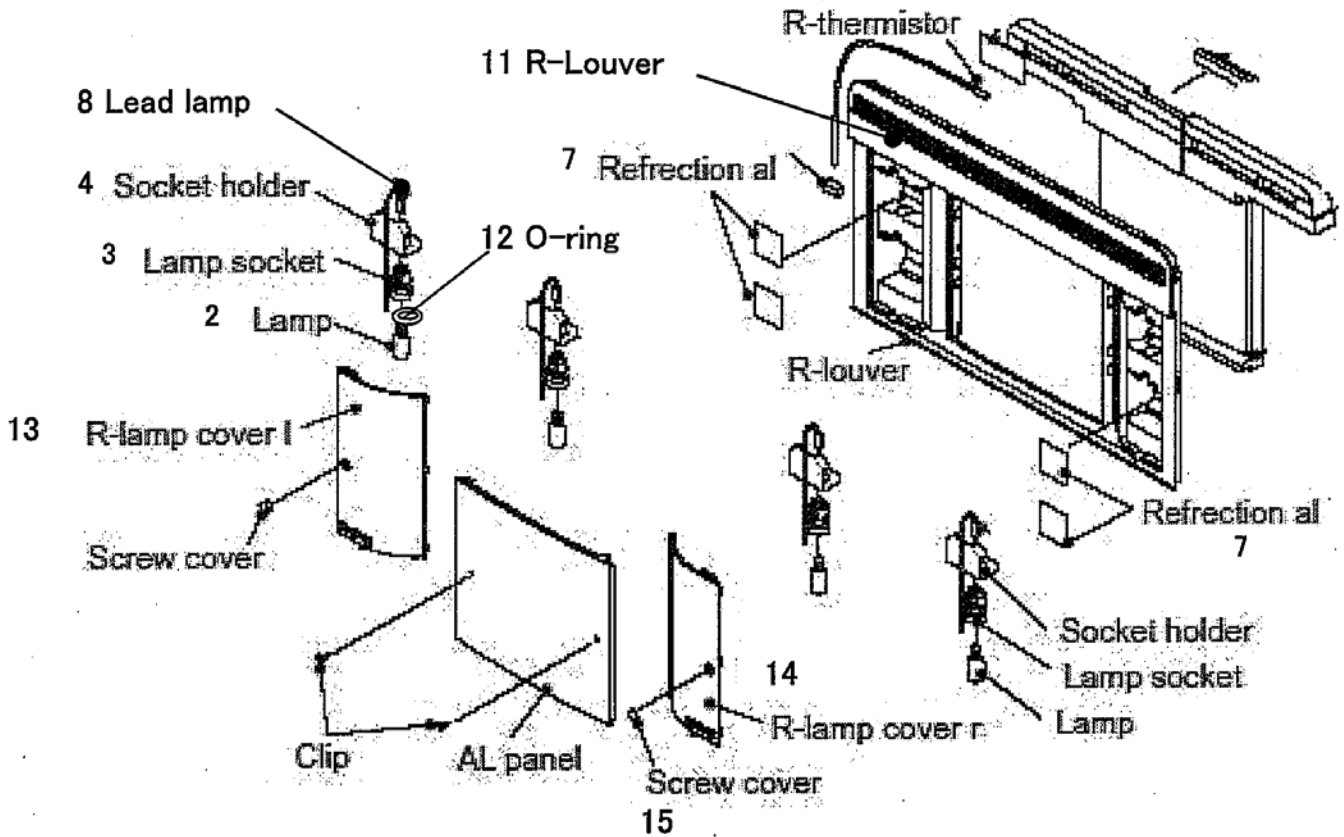

After change

When the lamp is replaced it is changed by a Service technician

When the lamp is replaced it can be changed by the customer.

Please disregard item 12 O-ring as this is for Europe Models which use R600a gas.
